PRESIDENT'S MESSAGE

On behalf of the MSC Board of Trustees, I beam with pride and honor to present the **2019 ANNUAL REPORT OF THE MARINDUQUE STATE COLLEGE** which highlights the metamorphic accomplishments of the institution in the areas of Governance, Instruction, Research, Extension and Production.

In here you will find a glimpse of how we were able to transform as an institution. We were able to achieve breakthroughs after breakthroughs in so short a time on what might take years for others. It was a year of strong performance as we achieved better results through steadfast execution and decisive actions to adjust to ongoing and neverending reforms.

The year also significantly marked the end of my first term and the start of my second term as President of this sole state college in the Province of Marinduque. Throughout the year, we have quickly adapted our plans and focused our actions on what might seem beyond imagination. We prioritized reinvesting in our capacities that brought vital progress in the delivery of our major final outputs. Above it all, we were able to hit three birds with one stone: 1) the re-certification to ISO 9001:2015; 2) the elevation from SUC Level II to Level III; and 3) the enactment of RA 11334 – An Act Converting the Marinduque State College in the Municipality of Boac, Province of Marinduque into a State University to be known as the Marinduque State University.

I attribute all these to the proactive and supportive spirits of the MSC Governing Board, industry partners, funding agencies, public leaders, and the stakeholders of the academe who willingly embraced our core values of SCRIBES and mainstreamed our 10-Point Agenda.

As we look to 2020 and beyond, we continue to see multitudes of avenues for mutually beneficial engagements locally and internationally. We will make substantial compliance to be worthy of our university title. We will set strong footprints and build platforms of continuous growth to introduce a brand new name in the field of higher education.

All Glory be to God in the highest!

MERIAN P. CATAJAY-MANI, Ed. D., CESE
